Liens/Impound/Export Search

Vehicles may be subject to liens if an owner financed the purchase of their car. Government agencies may implement impoundments on vehicles that have unresolved violations against them. While neither outrightly indicates a serious problem, more information should be obtained by the seller about these issues so that they may be resolved before purchase.

Discrepancy Checks

Below are some of the chronological events our search turned up on your vehicle.
Vehicle: Chevrolet / Avalanche / 2003

DISCREPANCY FOUND	EVENT DATE	DATA SOURCE	DETAILS
Salvage: Damage or Not Specified	2016-03-02	TEXAS	Any vehicle which has been wrecked, destroyed or damaged, to the extent that the total estimated or actual cost of parts and labor to rebuild or reconstruct the vehicle to its pre-accident condition and for legal operation on roads or highways exceeds a jurisdiction-defined percentage of the retail value of the vehicle. The retail value of the vehicle is determined by a current edition of a nationally recognized compilation (to include automated data bases) of retail values. Salvage--Damage or Not Specified also includes any vehicle to which an insurance company acquires ownership pursuant to a damage settlement, or any vehicle that the vehicle's owner may wish to designate as a salvage vehicle by obtaining a salvage title, without regard to extent of the vehicle's damage and repairs, or any vehicle for which the jurisdiction cannot distinguish the reason the vehicle was designated salvage.
